

***For Immediate Release:***

**Neal Jacobs Presents at Advanced Judgment Enforcement Seminar**

June 17, 2004

**Neal Jacobs**, managing attorney of the **Jacobs Law Group**, was a featured presenter at the Lorman Education Services CLE *Advanced Judgment Enforcement in Pennsylvania*. At the event, which took place on June 15, Jacobs spoke on semi-amicable collection methods and the potential for lender liability lawsuits. Jacobs concentrates his practice on the corporate/transactional and commercial litigation needs of closely held businesses, with a special focus on the issue of business divorce.
